1. These rules may be called "The Madras Sweet Toddy Rules, 1939."

2. Licences for the drawing of sweet toddy may be issued under these rules for the manufacture of jaggery, or for consumption or sale for consumption at the tree or in the tope, or for sale to permit holders. They shall, on application, be issued free to bona fide sweet toddy tappers and manufacturers of jaggery and to tree-owners desirous of drawing sweet toddy for domestic consumption; and as many ropes thereof as there are relatives or servants employed by the licensee to tap and draw sweet toddy on his behalf may also be issued to him. In villages in which co-operative societies for the manufacture of jaggery from sweet toddy drawn from coconut trees have been registered, licences to draw sweet toddy from coconut trees shall not be issued to persons who are not members of such societies.

Permits for the possession, transport and sale of sweet toddy may be issued in the names of licensees allowed to draw sweet toddy or others who apply for them.

3. Applications for the grant of licences and permits shall respectively be in Forms I and III annexed to these rules. They need not be stamped. They should be presented to the Tahsildar, Deputy Tahsildar, Revenue Inspector or other officer empowered by the Collector.

4. On receipt of an application in Form I or Form III the Tahsildar, Deputy Tahsildar, Revenue Inspector or other officer empowered by the Collector, as the case may be, if satisfied after considering the recommendation of the village headman that the applicant will not misuse the licence or permit, shall at once issue a licence in Form II or, as the case may be, a permit in Form IV annexed to these rules.

5. Licences and permits shall be current for one year from the date of issue.

6. The licensee shall not tap or allow to be tapped any tree in excess of the number he is licensed to tap nor shall he tap or allow to be tapped any tree for fermented toddy. The quantity of sweet toddy that may be possessed under a permit shall not exceed 5 gallons at any one time.

7. Sweet toddy, for whatever purpose it is to be used, shall be removed from the tree only between 4 a.m. and 2 p.m.

8. Sweet toddy shall be either consumed at the tree or in the tope between 6 a.m. and 2 p.m. or sold for consumption at the tree or in the tope between 8 a.m. and 2 p.m. or sold or delivered to permit holders at the tree or in the tope between 6 a.m. and 12 noon, or used forthwith for the manufacture of jaggery, and no such toddy shall be kept by the licensee or permit holder after 2 p.m. except what is actually in process of being manufactured into jaggery. 9. Any licence or permit may be cancelled or suspended at any time by the Collector without assigning reasons therefor, and the licensee or permit-holder may be debarred either permanently, or for a time from holding a licence for drawing sweet toddy or a permit for the possession, transport or sale of such toddy.

10. It shall be open to the Tahsildar, Deputy Tahsildar, Revenue Inspector or other officer empowered by the Collector to refuse licences for the tapping for sweet toddy of the trees of a tree-owner any of whose trees are proved to have been illicitly tapped for fermented toddy by persons holding under him, whether on a lease, or otherwise, under cover of a sweet toddy licence.

In cases other than those where the test is prescribed as part of probation and training the concession will be limited to two chances for each test. The prescribed fee must be paid into a Government treasury or into the Reserve Bank of India, Madras, or its agency, to the credit of the Madras Government under the following head of receipt:—

6. The fee paid by a candidate will ordinarily not be refunded. Candidates are therefore warned to satisfy themselves, before sending in their applications, that they are eligible under the rules in force to be admitted to the tests for which they apply, that the applications are in the latest form prescribed, that the particulars required in the form are supplied fully and correctly and that their applications are submitted through their superior officers sufficiently early before the prescribed date.

NOTE.—In the case of defective applications not admitted by the Commission on the account of the fee, an application made by the candidate, will be adjusted towards the fee for another examination if the candidate is eligible to appear for such examination. Heads of offices and departments are requested to forward the applications with the certificate mentioned in paragraph 3 above, so as to reach the office of the Commission not later than 13th April 1939. *Applications received after these dates will not be admitted.*

N.B.—A candidate desirous to assure himself that his application has been received should attach an addressed post-card to his application. The post-card will be returned to him in due course with the stamp of the office impressed upon it. The post-card so received will not mean that the application has been admitted. The post-card should bear the senders address only and no other writing. No other form of acknowledgment except that required by the Postal rules regarding registered covers can be given, nor will any notice be taken of any letter from any candidate enquiring whether his application has been received. Insufficiently stamped covers will be rejected.

9. A candidate should write his name his father's name, his house name and his address legible in his application. A candidate for the "Language Test for the Registration Department" or the "Translation Test for Ministerial Officers," or for any of the other language tests or a candidate for admission to the Field Surveyor's Test or the Deputy Surveyor's Test should state the language in which he desires to be examined.

No notice will be taken of any letter from a candidate requesting permission to bring up other tests in lieu of, or in addition to, those entered by him in his application.

Applications which are irregular or defective in any particular will be liable to summary rejection.

10. No notice will be taken of the application of a candidate who selects a centre which is not included in the list of centres given in paragraph 2 above. The place of examination entered in the application must invariably be the place where the candidate is employed or resides or, if it is not a centre, the place nearest to it where the examination is held.

11. A candidate cannot be allowed to change the place of examination named by him in his application unless application to change it is made on his behalf by the head of the office in which he is employed and it is also certified by him, or by the candidate's immediate superior, if the candidate is himself the head of an office, that the change is necessary in the interest of the public service or is otherwise unavoidable. *Such applications for change of centre should be made so as to reach the Commission's office not later than 15th May 1939.*

A candidate changing his place of examination without the permission of the Madras Public Service Commission must be prepared to have his examination annulled.

12. In submitting an application for admission to the examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination.

13. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is found to have had recourse to malpractice of any kind will have his examination invalidated. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations for such term of years as the Commission may think fit, and if he is a Government servant, he will be reported to the head of the department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or bring influence to bear on an examiner or a member of the Commission or its staff in connexion with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

14. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination at some future date to be fixed by the Commission in any or more of the subjects of the examination for which he appeared, his success or failure being determined on the result of such re-examination.

15. Subject to any change that may be found to be necessary, the examination will be conducted in the order of time and subjects shown in the annexure to this notification.

16. Memorandum of admission to the departmental tests will be sent to the candidates a week before the date of the examination. Candidates who do not receive it should apply to the Secretary, Madras Public Service Commission, Cathedral P.O., Madras, for it.

17. The results will be published in the *Fort St. George Gazette*; no certificates of success will be issued.

No other form of acknowledgment except that required by the Postal Rules regarding registered covers will be given, nor will any notice be taken of any letter from any candidate inquiring whether his application has been received. Insufficiently stamped covers will be rejected.

9 A candidate should write his name, his father's name, his house name and his address legibly in his application. A candidate for the Revenue Test should state the part or parts in which he desires to be examined. A candidate for the Translation Test should state the language in which he desires to be examined. Applications which are irregular or defective in any particular will be liable to summary rejection.

10 No notice will be taken of any letter from a candidate requesting permission to bring up other tests in lieu of, or in addition to, those entered by him in his application.

11 No notice will be taken of the application of a candidate who selects a centre which is not included in the list of centres given in paragraph 1 above. The place of examination entered in the application must invariably be the place where the candidate is employed or resides or if it is not a centre the place nearest to it where the examination is held.

12. A candidate cannot be allowed to change the place of examination named by him in his application unless he is employed in the public service and unless application so to change the place of examination is made on his behalf by the head of the office in which he is employed and it is also certified by him, or by the candidate's immediate superior, if the candidate is himself

the head of an office, that the change is necessary in the interest of the public service or is otherwise unavoidable. *Such applications for change of centre should be made so as to reach the Commission's office not later than 15th May 1939.*

A candidate changing his place of examination without the permission of the Madras Public Service Commission must be prepared to have his examination annulled.

13. In submitting an application for admission to the examination the candidate will be deemed to have given an undertaking that he will abide by all the rules now in force or those to be brought into effect hereafter in respect of that examination.

14. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is found to have had recourse to malpractice of any kind will have his examination invalidated. If such a candidate is not a Government servant, he is also liable to be debarred from appearing again for any of the examinations for such term of years as the Commission may think fit, and if he is a Government servant, he will be reported to the Head of the Department for disciplinary action. The same penalty will be imposed on any candidate who personally or by letter attempts to canvass or to bring influence to bear on an examiner or a member of the Commission or its staff in connexion with the examination, or on whose behalf such attempt is made by any relative, friend, patron, official or other person.

15. If for any reason the Commission is not satisfied as to the trustworthiness of a candidate's results, the candidate will be required to undergo a re-examination at some future date to be fixed by the Commission in one or more of the subjects of the examination for which he appeared, his success or failure being determined on the result of such re-examination.

16. Subject to any change that may be found to be necessary, the examinations will be conducted in the order of time and subjects shown in Annexure A to this notification. Candidates are at liberty to apply for as many tests together as the time-table of the examinations allows. But whatever may be the number of tests applied for, only one application form should be used.

17. For any further information that may be required, candidates are referred to the notification regulating the Special Test Examinations, copies of which are on sale at the Government Press, Madras. No copies of that notification can be supplied to candidates from the office of the Madras Public Service Commission.

18. Memorandum of admission to the Special Tests will be sent to the candidates a week before the date of the examination. Candidates who do not receive it by that time should apply to the Secretary, Madras Public Service Commission, Cathedral P.O., Madras, for it.

19. The results will be published in the *Fort St. George Gazette*; no certificates of success will be issued.

STATISTICS—1938-39—COTTON—FOURTH FORECAST REPORT

The average of the areas under cotton in the Madras Province during the five years ending 1936-37 has represented 9·3 per cent of the total area under cotton in India.

2. The area under cotton up to the 25th January 1939 is estimated at 1,873,800 acres. When compared with the area of 2,512,000 acres estimated for the corresponding period of last year, it reveals a decrease of 25·4 per cent.

368,500 acres have been reported as sown since the last December forecast was issued. This extent is made up of 2,15,000 acres under Tinnevellies, 62,000 acres under Northerns and Westerns 14,400 acres under Cambodia, 14,100 acres under Coconadas, 12,400 acres under Salems and 600 acres under other varieties of cotton. The area sown in December and January falls short of that sown in the corresponding period of the previous year by 24,300 acres or by 6·3 per cent.

3. The decrease in area in the current year as compared with the area in 1937-38 occurs in all the important cotton-growing districts of the Province and is attributable largely to unfavourable seasonal conditions.

The area under irrigated cotton mainly Cambodia is estimated at 162,200 acres as against 271 lac acres for the corresponding period of the previous year, a decrease of 40·3 per cent.

4. Pickings of the mungari or early sowa cotton crop in the Deccan have concluded. The yield abnormal on the whole.

The crop was affected by the failure of the north-east monsoon rains and yields below normal are reported from all the important cotton-growing districts except Kurnool and Anantapur where the yield is expected to be normal. The estimated yield is lowest for dry cotton in Coimbatore (6 per cent) owing to the attack of insect pests and diseases.

5. The seasonal factor for the Province as a whole works out to 91 per cent of the average as against 80 per cent in the previous year. On this basis, the total yield is estimated at 315,800 bales of 400 lb. as against 488,600 bales for the corresponding period of the previous year. It is, however, too early to estimate the yield with accuracy as the harvest has not yet commenced in the major portion of the area and much will depend upon the future weather conditions and the toll taken by insect pests.

6. The estimated area and yield under the several varieties are given below :—

(*Area in hundreds of acres, i.e., 00 being omitted ; yield in hundreds of bales of 400 lb. lint, i.e., 00 being omitted.*)

7. The average wholesale price of cotton lint per imperial maund of 82·2/7 lb. as reported from important markets on 6th February 1939 was Rs. 15-4-0 for Coconadas, Rs. 14-14-0 for red Northerns, Rs. 15-7-0 for white Northerns Rs. 12 for Westerns (mungari crop), Rs. 13-10-0 for Westerns (jowari crop), Rs. 24-15-0 for Coimbatore Cambodia, Rs. 18-14-0 for Southern Cambodia, Rs. 21-10-0 for Coimbatore Karungani, Rs. 18-14-0 for Tinnevelli karungani, Rs. 17 for Tinnevellies and Rs. 17-14-0 for Nadam cotton. When compared with the prices published in the last report, i.e., those which prevailed on 9th January 1939, these prices reveal a rise of about one per cent in the case of Coimbatore Karungani and a fall of about eight per cent in the case of Southern Cambodia and Tinnevellies six per cent in the case of Westerns (mungari crop), five per cent in the case of Tinnevelli Karungani and one per cent in the case of Coimbatore Cambodia, Westerns (jowari crop) and Coconadas; the prices of Northerns (red and white varieties) and Nadam cotton remaining stationary.

8. Figures by districts are given in statement I. Figures of area by varieties in the Central districts and the South are given in statement II.

He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion, that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Kistna Central Division.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard 'Preliminary Specification' regarding payment of seigniorage, tolls, etc.

8. The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in sums of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, over-writings or corrections of figures. Corrections where unavoidable should be made by crossing out, initialing, dating and re-writing.

9. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10. The materials that will be supplied by Government and the places and rates at which they will be supplied, are noted at the end of the schedule accompanying the tender form. Tenderers must accept the materials at these rates and places specified, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value of these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connexion with this supply.

11. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

12. If further necessary information is required, the Executive Engineer, Kistna Central Division, will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

U. S. RAMASUNDARAM,
Executive Engineer, Kistna Central Division.

Bezwada, 22nd February 1939.

TENDERS FOR PROTECTING THE RIGHT MARGIN OF THE CAUVERY WITH ROUGH STONE REVETMENT BETWEEN 32/2-3 AT THE LOWER END OF ELANDAVOITHALAI SET.

Tenders will be received by the Executive Engineer, River Conservancy Division, at his office at Trichinopoly up to 4 p.m. on 20th March 1939 for the work of protecting the right margin of the Cauvery with rough stone revetment between 32/1-3 at the lower end of Elandavoithalai set.

The tender should be in the prescribed form obtainable from the Executive Engineer's office. The tenders will be opened by the Executive Engineer, River Conservancy Division, at 11 a.m. on 21st March 1939.

2. Tenders must be submitted in sealed covers, and should be addressed to the Executive Engineer, River Conservancy Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the

firm, who shall also sign his own name, and the name and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorized officer who shall produce with his tender, satisfactory evidence of his authorization. Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of rupees seventy-five only into the branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned to the credit of Revenue Deposits on behalf of the Executive Engineer of the River Conservancy Division and enclose with his tender the chalan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. This refund will be authorized by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department Officers, save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should sign his name in full, with date on the back of all the currency notes given by him, whatever their denominations may be.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Executive Engineer's office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender make a security deposit of rupees seventy-five only in one of the forms prescribed in the Madras Public Works Account Code and sign an agreement to the proper departmental form for the due fulfilment of the contract. The security deposit together with the earnest money and the amount withheld according to clause 68 of the standard preliminary specification of the Madras Detailed Standard Specifications shall be retained as security for the due fulfilment of this contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. Failure to attend the Executive Engineer's office on the date fixed in the written intimation from such office or to enter into the required agreement or to make the security deposit as defined in this paragraph shall entail forfeiture of the earnest money. The written agreement to be entered into between the contractor and the Government shall be the foundation of the rights of both the parties and the contract shall not be deemed to be complete until the agreement has first been signed by the contractor and then by the proper officer authorized to enter into contracts on behalf of Government.

5. The tenderer shall examine closely the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein, and sign the Divisional office copy of the Madras Detailed Standard Specifications and its addenda volume in token of such study before submitting his tender unit rates which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specifications and other documents connected with the contract such as specifications, plans, descriptive specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 5 p.m. on office days, in the office of the Executive Engineer, River Conservancy Division.

6. The tenderer's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the "Preliminary Specification." Materials conforming to the British Standard Specifications shall be used on the work, and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in this tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The tenderer's particular attention is drawn to the sections and clauses in the standard "Preliminary Specification" dealing with—

(1) Test, inspection and rejection of defective materials and work.
(2) Carriage.
(3) Construction plant.
(4) Water and lighting.
(5) Cleaning up during progress and for delivery.
(6) Accident.
(7) Delays.
(8) Particulars of payment.
(9) Defects and shrinkage, etc., after completion (Previs 28
(10) Contractor's risk and insurance (Clause 60).
(11) Suspension of the works by the contractor (Sub-clause 61).

} As amended in Chief Engineer's Memorandum No. 1342 Ae /37 C.E., dated 26th Nov. 1938.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions, or additions at the discretion of the Executive Engineer, River Conservancy Division, or as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas, and in sums of three pies. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals of each item and the grand total of the whole contract, and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract, such lump sum agreeing with the total amount of Schedule A. This schedule accompanying the lump-sum tender shall be written legible and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by crossing out, initialling, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognized; and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the

contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or incidental charges will be borne by Government in connexion with this supply.

13 The attention of the tenderers is directed to the contract requirements as to the time of beginning work, the rate of progress, and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

Period after date of commencement.	Percentage of work completed (based on contract lump sum amount).
Fifteen days ..	30 per cent.
One month ..	60 per cent.
One and a half months.	100 per cent.

NOTE.—The periods to be entered in column 1 for the purpose of declaring the rate of progress may be fixed by the Superintending Engineer in each case. Executive

14 No part of the contract shall be sublet without written permission of the Executive Engineer, nor shall transfer be made by power-of-attorney authorizing others to receive payment on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

1938 ലെ 20-ാം നമ്പർ ആക്ട്.

AN ACT TO REMOVE THE DISABILITIES OF CERTAIN CLASSES OF HINDUS IN REGARD TO ENTRY INTO TEMPLES IN THE DISTRICT OF MALABAR.

മലബാർ ഡിസ്ട്രിക്ടിൽ ക്ഷേത്രപ്രവേശനം സംബന്ധിച്ച് ഹിന്ദുക്കളിൽപ്പെട്ട ചില വർഗ്ഗക്കാർക്കുള്ള അവശതകളെ നീക്കം ചെയ്യുവാനുള്ള ഒരു ആക്ട്.

ഹിന്ദു ക്ഷേത്രങ്ങളിൽ പ്രവേശിക്കുകയും, അവിടെവെച്ച് ആരാധന നടത്തുകയും ചെയ്യുന്ന കാര്യത്തിൽ ഹിന്ദുക്കളിൽപ്പെട്ട ചില വർഗ്ഗക്കാരുടെമേൽ നാട്ടാചാരവും, വഴക്കവുംപ്രകാരം ആരോപിക്കപ്പെട്ട അവശതകളെ നീക്കം ചെയ്യണ്ടതാകയാലും,

എന്നാൽ ആവക ക്ഷേത്രങ്ങളുടെ ട്രസ്റ്റിമാർക്ക ആചാരശ്രമത്തിൽ മേല്പറഞ്ഞപ്രകാരം വല്ല നൂതനസമ്പ്രദായവും നടപ്പിൽ വരുത്തുവാൻ നിയമ ദൃഷ്ട്യാ അധികാരമുണ്ടോ എന്നതിനെപ്പറ്റി സംശയങ്ങൾ നിലനിൽക്കയാലും,

ഈ സംശയങ്ങൾ നീക്കംചെയ്യുകയും, ഹിന്ദുക്കളിൽപ്പെട്ട എല്ലാ വർഗ്ഗക്കാർക്കും ക്ഷേത്രങ്ങളിൽ പ്രവേശിക്കുന്നതിനും അവിടെവെച്ച് ആരാധന നടത്തുന്നതിനുമുള്ള അവകാശം അനുവദിക്കുന്നതിനും, അതുകൂടാതെ ഇപ്പോൾ ആവക പ്രവേശനാവകാശമുള്ള ഹിന്ദുക്കൾ സാമാന്യമായി അനുഭവിച്ചുപ്രകാശിക്കുന്നപക്ഷം, ആവക അവകാശം ആവക എല്ലാ വർഗ്ഗക്കാർക്കും അനുവദിക്കുവാനുള്ള അധികാരം ട്രസ്റ്റിമാർക്ക നിയമപ്രകാരം നല്കുകയും ചെയ്യുന്നതു ന്യായവും യുക്തവും ആയിരിക്കയാലും,

അതുകൂടാതെ, ഇതുവരെ ബഹിഷ്കരിക്കപ്പെട്ടിരുന്ന വർഗ്ഗക്കാർക്കുകൂടി ഹിന്ദുക്ഷേത്രങ്ങളെ സംബന്ധിച്ചുള്ള അവകാശങ്ങളും പ്രത്യേകാവകാശങ്ങളും അനുവദിച്ചുകൊണ്ട് അടുത്തകാലത്തു കേരളത്തിലുണ്ടായ ഒരു ഭാഗത്തു കല്ലന ഉണ്ടാകുകയും, അതു സമാധാനപൂർവ്വം നടപ്പിൽ വരുത്തുകയും ചെയ്തിരിക്കയാലും, പൊതുവായ പാരമ്പര്യങ്ങളും, മാമൂലും, നാട്ടാചാരങ്ങളും, ആരാധനാരീതികളും ഉതായ സംഗതികളിൽ ഐകരൂപ്യവും ഉണ്ടാകുന്നതു ഹേതുവായി, മേല്പറഞ്ഞ അവശതകളും നീക്കം ചെയ്യണ്ടതിനായി കൂടുതൽ നിയമങ്ങളുണ്ടായിരിക്കുന്നുവെന്ന മാത്രമല്ല കേരളത്തിന്റെ മറ്റൊരു ഭാഗത്തു, അതുപോലെ അങ്ങിനെ നീക്കംചെയ്യുന്ന കാര്യം അധികം സുസാദ്ധ്യമായിത്തീർന്നിരിക്കയാലും,

(1) 'ബോഡ്' എന്നതിനു 1926 ലെ മദിരാശി ഹിന്ദു മതദാനങ്ങൾ (ദേവസ്വം) ആക്ട് 10 -ാം വകുപ്പുപ്രകാരം സ്ഥാപിച്ച കമീഷനർ എന്നും, അങ്ങനെ ബോഡ് എന്നൊ, ഒരു ക്ഷേത്രത്തിന്റെ കാര്യത്തിൽ മേപ്പടി ബോഡിന്റെ അധികാരങ്ങളും പ്രവൃത്തികളും തല്ക്കാലം മറ്റു ആളുകൾ ഏതൊരു അധികാരത്തിൽ ഇരിക്കുന്നുവോ ആവക മറ്റുവല്ല അധികാരവും എന്നൊ അർത്ഥമാകുന്നു;

(2) 'ബഹിഷ്കരിക്കപ്പെട്ട വർഗ്ഗം' എന്നതിനു സുസ്ഥാപിതമായ വല്ല നാട്ടുനടപ്പൊ, ആചാരമൊ ഹേതുവായി സംബന്ധപ്പെട്ട ക്ഷേത്രത്തിൽ പ്രവേശനംലഭിക്കാതെ ബഹിഷ്കരിക്കപ്പെട്ടതൊ ക്ഷേത്രത്തിന്റെ പരിസരങ്ങളിൽ ചെല്ലുവാൻ അനുവാദമുണ്ടെങ്കിലും, ആരാധകന്മാരിൽ അധികംപേരേയും ചെല്ലുവാൻ അനുവദിക്കുന്നതായ ക്ഷേത്രത്തിന്റെ യാതൊരു ഭാഗത്തും പ്രവേശിപ്പാൻ അനുവദിച്ചിട്ടില്ലാത്തതൊ ആയ ഹിന്ദുസമുദായത്തിലെ വല്ല ജാതിയൊ വർഗ്ഗമൊ എന്നർത്ഥമാകുന്നു;

(4) 'ക്ഷേത്രം' എന്നതിനു, എണ്ണപ്പെടുവാൻ ആയാലും വേണ്ടതില്ല, ബഹിഷ്കരിക്കപ്പെട്ട വർഗ്ഗക്കാർ ഒഴികെ സാമാന്യമായി ഹിന്ദുസമുദായം ഒരു പൊതു ആരാധനസ്ഥലമായി ഉപയോഗിക്കുന്നതും, 1926 ലെ മദിരാശി ഹിന്ദുദേവസ്വം ആക്ട് 69 -ാം വകുപ്പുപ്രകാരം 5,000 രൂപ്പികയിൽ കുറയാതെയുള്ള ഒരു കൊല്ലോട്ട ആദായത്തിന്മേൽ (വരവിന്മേൽ) എപ്പോഴെങ്കിലും അംശമായും മുമ്പേറ്റിട്ടുള്ളതായ ഒരു സ്ഥലമെന്നർത്ഥമാകുന്നു; പിന്നാതെ, പ്രവേശനം സംബന്ധിച്ചിടത്തോളം ഏതൊരു സന്ദർഭത്തിലും, ആരാധകന്മാരിൽ അധികംപേർക്കും പ്രവേശിക്കുന്നതിനുള്ള ക്ഷേത്രത്തിന്റെ ഏതൊരു ഭാഗവും എന്നർത്ഥമാകുന്നതുമാണു.

എന്നാൽ 1938 ഏപ്രിൽ 1-ാം തിയ്യതിക്കു മുമ്പായി മതിയായ അധികാരമുള്ള ഒരു കോടതിയുടെ ഒരു അവസാന വിധിയാലൊ, കല്പനയാലൊ സർക്കാർ സ്വത്താണെന്നുള്ള പ്രഖ്യാപനം

ചെയ്യപ്പെട്ടതോ, സ്വകാര്യ സ്വത്തായി ബോർഡ് സ്വീകരിച്ചിട്ടുള്ളതോ ആയ വല്ല ക്ഷേത്രവും ഒരു ആകൃതിന്റെ ആവശ്യങ്ങൾക്കായി ഒരു ക്ഷേത്രമായിരിക്കുന്നതല്ല :

എന്നാൽ എന്തെല്ലാം, ഏതൊരു ക്ഷേത്രത്തിന്റെ കാര്യത്തിൽ അതു ഒരു സ്വകാര്യ സ്വത്താണോ എന്ന ചോദ്യം 1988 ഏപ്രിൽ 1-ാം തിയ്യതിക്കുമുമ്പ് ഒരു നിയമകോടതിയിൽ റജിസ്റ്റർ ചെയ്ത ഒരു വ്യവഹാരത്തിലൊ, ബോർഡിന്റെ മുമ്പാകെ റജിസ്റ്റർ ചെയ്ത ഒരു അപേക്ഷയിലൊ വാദവിഷയമായി കൊണ്ടുവന്നിരിക്കുന്നുവോ ആയക ഒരു വല്ല ക്ഷേത്രവും, അവക ഒരു നടപടിയിൽ അവസാനത്തീർപ്പുണ്ടാകുന്നതുവരെ ഈ ആകൃതിന്റെ ആവശ്യങ്ങൾക്കായി ഒരു ക്ഷേത്രമായികരുതിക്കൂടുന്നതല്ലാത്തതും, അതിനു ശേഷം, ഒങ്ങിനെയുള്ള അവസാനത്തീർപ്പ് ഉണ്ടായിട്ടില്ലാ ആ ക്ഷേത്രത്തെ സ്വകാര്യ സ്വത്താണെന്നോ അല്ലെന്നോ പ്രഖ്യാപനംചെയ്യുകയൊ, സ്വീകരിക്കുകയൊ ചെയ്യുന്നതിനുള്ള അവകാശം നിലനിർത്തിച്ചു, അതു മേപ്പടി ആവശ്യങ്ങൾക്കായി ഒരു ക്ഷേത്രമായിരിക്കുകയൊ ആയിരിക്കുകയൊ ചെയ്യുന്നതുമാകുന്നു.

(5) 'ട്രസ്റ്റി' എന്നതിനു, എതുപേരായാലും, പ്രാതിനിധ്യാവകാശം നിലയിലായാലും അല്ലെങ്കിലും വേണ്ടതില്ല, ഒരു ക്ഷേത്രത്തിന്റെ ഭരണം ഏല്പിക്കപ്പെട്ടിരിക്കുന്ന ഒരാൾ എന്നർത്ഥമാകുന്നു ;

(6) 'വോട്ടർമാർ' എന്നതിനു ക്ഷേത്രം ഏതു റവന്യൂ താലൂക്കിൽ സ്ഥിതിചെയ്യുന്നുവോ, ആയക താലൂക്കിലുള്ള മുനിസിപ്പൽ പ്രദേശങ്ങളെ ഉൾപ്പെടെ, ആതാലൂക്കിലെ സാമാന്യ (പൊതു) നിയോജകമണ്ഡലത്തെ സംബന്ധിച്ച് മതിരാശി ലജിസ്ലേറ്റീവ് അസംബ്ലിയുടെ തല്ക്കാലം നിലവിലുള്ള തിരഞ്ഞെടുപ്പുപട്ടികയിൽ പേരു ഉൾപ്പെടുത്തുകയും, ഇപ്രകാരം തയ്യാറാക്കിയ ഒരു പട്ടികയിൽപ്പെടുത്തിട്ടുള്ള വിവിധ വോട്ടർമാർ എന്നർത്ഥമാകുന്നു.

(7) 'ആരാധന' എന്നതിനു ക്ഷേത്രത്തിൽ ക്രമവും ശുചിത്വവും പരിപാലിക്കുന്നതിനും, അവിടെ നടത്തുന്ന മതസംബന്ധമായ ക്രിയകളും അടിയന്തരങ്ങളും ക്രമമായി അനുഷ്ഠിക്കുന്നതിനുവേണ്ടി ട്രസ്റ്റിമാർ ഉണ്ടാക്കാവുന്ന വല്ലപ്രമാണങ്ങളിലെ നിബന്ധന

എന്നാൽ ആ അപേക്ഷപ്പാട് അയക്കുന്നതു ഈ ആക്ടിന്റെ ഉദ്ദേശങ്ങൾ നിറവേറുന്നതിന്നവേണ്ടിയല്ലെന്നു പ്രൊവിൻഷ്യൽ ഗവൺമെണ്ടിന്നു അഭിപ്രായമുള്ളപക്ഷം, ആയതിന്മേൽ യാതൊരു നടവടിയും നടത്തേണ്ടതില്ലെന്നു അവർ കല്പിക്കാവുന്നതാകുന്നു.

(2) അങ്ങിനെ അഭിപ്രായത്തിന്നായ്ച്ചതിന്റെ ഫലം ബഹിഷ്കരിക്കപ്പെട്ട വർഗ്ഗങ്ങളിൽപ്പെട്ടവർക്ക് ക്ഷേത്രപ്രവേശനം അനുവദിക്കുന്നതിന്നു ഭൂരിപക്ഷക്കാരുടെ വോട്ടഭിപ്രായം അനുകൂലമാണെന്നു കാണുന്നതായാൽ, ബഹിഷ്കരിക്കപ്പെട്ട വർഗ്ഗങ്ങളിൽപ്പെട്ടവർക്ക് ആ ക്ഷേത്രത്തിൽ മേലിൽ പ്രവേശിക്കുവാൻ സ്വാതന്ത്ര്യമുണ്ടെന്നു കാണിച്ച് ഒരു കല്പന നിർണ്ണയിക്കപ്പെട്ട വിധത്തിൽ ട്രസ്റ്റിമാർ പ്രസിദ്ധപ്പെടുത്തേണ്ടതാകുന്നു.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT.

The following Report of the Select Committee on the Bill to consolidate the provisions of Muslim Law relating to suits by married Muslim women for dissolution of marriage and to remove doubts as to the effect of apostasy of a married Muslim woman on her marriage tie was presented to the Legislative Assembly on the 3rd February 1939:—

We, the undersigned, members of the Select Committee to which the Bill to consolidate the provisions of Muslim Law relating to

suits by married Muslim women for dissolution of marriage and to remove doubts as to the effect of apostasy of a married Muslim woman on her marriage tie was referred, have considered the Bill and Papers Nos. I—X and have now the honour to submit this our Report, with the Bill as amended by us annexed thereto

Preamble.—The amendments are consequential or formal.

Clause 1.—The amendments are purely formal

Clause 2—replaces clauses 2, 3 and 4 of the Bill referred to us. The opening words apply the clause to any woman married under Muslim law even though she may not herself profess Islam. The references to the various Schools of law have been omitted and the grounds made general in the belief that they will prove acceptable to all. The grounds set out in the Bill referred to us have been thoroughly overhauled and recast in the interests of greater precision, and certain contingent provisions have been added by way of proviso.

Clause 3—is new; it provides that when the whereabouts of the husband are alleged to be unknown, his heirs shall be entitled to formal notice of the suit and to be heard in it.

Clause 4—reproduces substantially clause 5 of the Bill as referred to us, an exception being made in the case of a woman converted to Islam who reverts to her former faith.

Clause 5—is a saving clause, securing that a woman's right to dower remains unaffected by this Bill.

Clause 6—repeals a section of Act XXVI of 1937 to enable actions under this Bill to take the form of suits, the form which we consider to be most suitable.

Clause 6 of the Bill referred to us has been omitted as its provisions were considered to contain practical difficulties

NOTES

The Bill as it has emerged from the Select Committee is shorn of the original clause 2 which was objectionable. Besides omitting the original clauses 2 and 4 which appeared to make the existing law more complex the Select Committee has so clarified its provisions that it can be safely affirmed now that the Bill has been completely purged of all obscurities. In the present clause 2 of the Bill which enumerates the various grounds on which a woman married under Muslim Law can obtain a decree of dissolution of marriage, the original provisions of the Bill, which were vague and ambiguous, have been exhaustibly clarified. The original clause 5, which is clause 4 now, has been so amended that read with sub-clauses (c), (d) and (e) of clause 2, it disposes of all my objections. Further the procedural aspect of the original Bill has been completely adjusted to the normal law of the land. Under the circumstances I endorse both the principle and the substance of the Bill.

2 A word of explanation, however is essential. My main objection to the original clause 5 of the Bill was based on two grounds. Apostasy by a Muslim woman, according to one school of ancient jurists, by itself has the effect of automatically dissolving the marriage with consequential penalties under Muslim Law. This view proceeds on the assumption that apostasy amounts to treason or legal death and therefore the natural consequences of legal death must follow. According to the other school of jurists, apostasy would not operate as an automatic dissolution of marriage but a change of faith from Islam to an atheistic conviction or to the faith of an idol or fire worshipper, would automatically dissolve the marriage on the ground that the union of a Muslim with a woman professing any of these faiths or beliefs would be void *ab initio*. My objections have now been satisfied by the acceptance of the whole of sub-clause (ix) of clause 2 because, while the present clause 4 does not rule out "the renunciation of Islam or conversion to a faith other than Islam" as a ground for dissolution of marriage, sub-clauses (c), (d) and (e) of clause 2 (ix) provide ample grounds for dissolution of marriage. The present clause 4 runs as follows:—

> "The renunciation of Islam by a married Muslim woman or her conversion to a faith other than Islam shall not *by itself* operate to dissolve her marriage provided that the provisions of this section shall not apply to a woman, converted to Islam from some other faith, who re-embraces her former faith."

This in my opinion will meet the case of a wife, who in spite of a genuine conversion does not desire her marriage to be automatically dissolved. Under the present provision she will have to institute a suit for dissolution of marriage on the ground (c) that she has abjured Islam or that she has been converted to a faith other than Islam, and (b)

* Subject to a note. † Subject to a note of dissent.

that either her husband makes her life miserable by cruelty of conduct even if such conduct does not amount to physical ill-treatment or that he obstructs her in the observance of her religious profession or practice or prevents her from exercising her legal rights over her property. If the husband proves intolerant of her religious profession or practice, she is entitled to relief under sub-clause (c) of clause 2 (ix) of the Bill. I am therefore now of opinion that the present clause 4 has lost the objectionable feature of the original clause 5

3. I must say a word about the proviso to clause 4. In its present form the proviso has excepted a wife reconverted to her original faith which means that although a Muslim woman's marriage, after her conversion to another faith, shall not *by itself* be a ground for dissolution of marriage the re-conversion of a wife to her original faith *shall by itself operate as an automatic dissolution of marriage*. This again has met my objection and I have to recognize the fact that in the case of the conversion of a Muslim woman to another faith she should be allowed to remain in the society to which she originally belonged until she finds her position in any way intolerable on account of the husband's cruel conduct. In any case no woman married under the Muslim Law, who has changed her faith, is debarred from exercising her right to obtain the dissolution of her marriage, on more than one ground.

4. In its present form this Bill marks a liberal advance on all the existing Indian Law relating to the dissolution of marriage. The grounds on which a wife married under Muslim Law can obtain a decree of dissolution of marriage under this Bill are much wider than the grounds permitted under the Indian Divorce Act, IV of 1869, the Native Converts' Marriage Dissolution Act, XXI of 1866, the Special Marriage Act, III of 1872, and Dr. Gour's Special Marriage Act of 1923. Of course in the Hindu Law there is no provision for divorce so far and a Hindu wife can be followed by her husband even after apostasy except perhaps in Bengal.

In its present form I am prepared to support the whole Bill.

The 23rd December 1938. M ASAF ALI.

I am prepared to accept the Bill as it has emerged from the Select Committee.

As regards the clause of apostasy, I am still of the opinion that as a general rule in the case of all communities, in the case of change of religion there should be an automatic dissolution of marriage. There must be something very radically wrong with the marriage, where one partner changes the faith, in which he or she is born and brought up. I cannot imagine that a happy married life can continue where the partners follow different faiths, except in the case of very very intellectually advanced partners, as the systems of worship of different religions are so different.

The Mahammadan Members of the Select Committee are to be congratulated on the modifications of the original Bill and bringing forward a liberal and just piece of legislation.

NOTE OF DISSENT

In my opinion clause 4 of the Bill, which in a modified form is the original clause 5, is altogether redundant and no longer required. It cannot be denied that the renunciation of Islam by a married Moslem woman and her conversion to a faith other than Islam was, so far, the only legal remedy left to her to get a dissolution of marriage. This remedy had been sanctified by long usage and accepted by various High Courts of India. The statement of objects and reasons says : "There is no provision in the *Hanafi* code of Moslem Law enabling a married Moslem woman to obtain a decree

from the courts dissolving her marriage, in case the husband neglects to maintain her, makes her life miserable by deserting and persistently maltreating or absconding, etc." There being no other way, naturally a married Moslem woman had recourse only to this one device, that is the abjuration of Islam. The present Bill has made a liberal provision enabling her to get a divorce on nineteen various grounds. Thus so many other ways being open to her for dissolution, a married Moslem woman shall not need to have recourse to abjuration of Islam.

This clause creates a radical change in the fundamentals of Islamic religion, and this change has been seriously opposed by some of the Moslem religious bodies. There are two schools of Moslem jurists, one holding that the abjuration of Islam suspends the marriage, as according to them apostasy amounts to treason or legal death and therefore the woman is kept in prison so as to give her a chance to reconsider and come back to Islam; while according to the other school this abjuration would automatically dissolve the marriage on the ground that the union of a Moslem woman with a non-Moslem becomes void. Syed Amir Ali's view as given in Amir Ali's Muhammadan Law (chapter 8, page 399) is quite clear on this point. "All the sects in Islam" he says "join in laying down that *irtad* or conversion from Islam of either of the spouses dissolves the marriage tie. The Shias and Shafeis hold that when either of the spouses renounces Islam before consummation, the marriage tie becomes dissolved at once; and that if the apostasy comes after consummation, the marriage would stand dissolved on the expiration of three courses of the woman. Among Hanafis, apostasy from Islam of either husband or wife, whether it takes place before or after consummation, dissolves *ipso facto* the marriage tie."

I think, however, that the Moslem legislators are perfectly entitled to reform and make a change in their religious rites and customs but they should clearly assert it and have substantial grounds for such a change and at the same time they should not upset the old foundations altogether. My view, therefore, is that while abolishing apostasy as the only cause of dissolution of marriage they should at least put apostasy as one of the main grounds of getting divorce along with the nineteen fresh grounds as given in the clause 2.

I wish to add one more point. During the debates on the Bill, it was urged that the renunciation of Islam was in most cases not genuine and that it was only a device adopted by Moslem women to get rid of undesirable husbands, and that therefore the object of the original clause 5 was to put an end to this evil practice. Accepting this view to be correct it gives us a sufficient ground to believe that genuine abjuration of Islam cannot but be followed by the dissolution of marriage and this, I think, is a very substantial reason for either omitting clause 4 from the Bill altogether or at least putting apostasy as the main ground for getting divorce.

STATEMENT OF OBJECTS AND REASONS.

Detailed scrutiny of the Insurance Act, 1938, has revealed a considerable number of defects of a technical kind which should be removed before the Act is brought into force. It is also desirable to make it clear that insurers who set up organisations outside British India and operate through agents in British India are within the scope of the Act. Further, in view of projected legislation in certain Indian States on lines similar to the Insurance Act, 1938, certain disabilities would be imposed on insurers registered under the Act which would seriously impede the development of their business outside British India. The amending Bill is designed to give relief in such cases without impairing the security for policy-holders in British India. Notes on clauses are appended.

The 31st January 1939.

NOTES ON CLAUSES

Clause 2.—(*a*) widens the scope of the definition of "insurer" to bring in insurers who operate from a principal place of business outside British India and who, while it is doubtful if under the existing definition they can be said to be carrying on insurance business in British India, obtain British Indian insurance business by the employment of representatives or by establishing a place of business in British India.

(*b*) extends the definition to include triple indemnity accident benefits for which some companies provide

Clause 3.—(*a*) Section 7 (2) (*j*) of the principal Act was intended to provide for a smaller deposit payable by small concerns carrying on marine insurance in a limited fields, as the provision is at present worded, it is capable of the interpretation that it adds to rather than reduces the deposit referred to in section 7 (*d*) (*c*). This amendment will remove that ambiguity.

(*b*) The expression used elsewhere in section 7 is "*carried on in British India*", and this amendment is made as uniformity is desirable.

(*c*) When it was found impossible to bring the principal Act into force by the 1st October last, it was realised that section 7 (*g*) might give rise to a situation in which the second instalment of deposit became payable before the first This amendment removes that anomaly

(*d*) Section 7 (*g*) is intended to refer to the same category of insurers as section 7 (3), namely, those incorporated or carrying on business before the 27th January 1937, and to qualify, in the case of certain insurers within that category, the concession given by section 7 (3). The present wording of section 7 (*g*) does not effectively carry out this intention and is accordingly clarified by the amendment proposed.

Clauses 4 and 5.—These clauses insert references to a section inserted in the principal Act during its passage through the Legislature These amendments and others of similar character appearing later in this Bill are necessary consequences of that insertion.

Clause 6.—Marine insurance is a specialised form of insurance business and there have been found to exist difficulties, both legal and practical, in applying section 46 to such class of insurance business Moreover it would seem that the reasons which call for amendment to section 46 also operate to render the records required under section 14 of little practical value, and the exclusion of marine insurance business from that section also is consequently proposed

Clause 7.—(*a*) provides for *certified* copies of the second set of statements referred to in section 10 (*2*) as well as of the first such set.

(*b*) and (*c*) As section 12 does not apply to cases coming under section 16 (*2*), it is necessary to insert in this sub-section a provision requiring audit.

Clause 8.—(*a*) The use of the expression "a company incorporated under the Indian Companies Act, 1913" in section 17 and in other places in the principal Act excludes from the scope of those provisions companies incorporated under the earlier Companies Acts of 1866 and 1882 The wording now proposed, already in use in section 11 (2) of the principal Act, will remove this defect

(*b*) The wording is revised to follow more closely that of the Indian Companies Act, 1913, to which it is related.

Clause 9.—The principal Act repeals the earlier insurance law, but it is thought necessary to make it clear that the earlier law will continue to apply even after the coming into force of the principal Act to the disposal of accounts for periods which ended before the principal Act comes into operation.

Clause 10.—(*a*) (*i*) *Vide* note on clauses 4 and 5.

(*a*) (*ii*) Section 27, as it stands, might be read as permitting the deduction of policy loans which do not relate to policies maturing in India or which are in excess of the surrender values of the policies: this amendment makes such an interpretation impossible.

(*a*) (*iii*) and (*b*) Where the law of an Indian State requires a cover in respect of life insurance policies maturing for payment in that State (perhaps on a scale equal or greater than that provided in the principal Act), it would be a manifest hardship to require the insurer to make such overlapping cover. The first of these amendments provides relief for insurers registered in British India by arranging that the cover to be made in British India will take into account the cover made elsewhere, but in such a way that the total cover is never less than that required by the principal Act standing alone. The second amendment is consequential upon the first in the sense that it provides that in cases where advantage is taken of this new provision, the liability of the trust in respect of the policies concerned shall be proportionately reduced.

Clause 11.—Section 29, as it stands, is considered to give insufficient time for the submission of the required statements; this is accentuated in cases of companies whose principal place of business is overseas. The amendments proposed will ease the difficulties in this respect without detracting from the purposes of the section.

Clause 12.—(*a*) *Vide* note on clauses 4 and 5.

(*b*) It has come to the notice of Government that some insurance companies keep the bulk of their assets in the name of the Official Trustee, as an additional protection to their policy-holders. The practice is inconsistent with section 31 as it now stands and the proposed amendment is designed to remove the bar to such an arrangement.

Clause 13.—*Vide* note on clauses 4 and 5. Here the insertion of the omitted reference entails slight rearrangement of the wording.

Clause 14.—(*a*) The first part of the sub-clause removes the anomaly inherent in requiring notice of a transaction to which he is himself a party to be served on the insurer. The second amendment in the sub-clause is to provide that the insurer (who is to be bound by the transfer or assignment) shall see either the instrument of the transaction or a true copy of it. The third amendment takes into account the new class of insurer introduced by clause 2 of this Bill, and removes redundant words.

(*b*) Sub-sections (5) and (7) of section 38 are inconsistent in the sense that the latter permits conditional assignments while the former makes no provision for them. The former sub-section is hereby amended to bring it into line with the latter.

(*c*) removes ambiguity in phrasing, the existing form leaving it doubtful whether "existing prior to the commencement of this Act" qualifies "rights and remedies".

(*d*) also removes an ambiguity, this time latent in the definition of "policy-holder".

Clause 15.—(*a*) This amendment is also occasioned by the definition of "policy-holder" and makes it clear that an absolute assignee does not possess the right to nominate.

(*b*) includes a necessary provision to indemnify the insurer without notice of a revoked nomination where he makes *bona fide* payments to a nominee in the policy or registered in his books.

(*c*) adjusts a small drafting defect, the case of revision of nomination by will not being covered by the existing wording.

Clause 16.—(*a*) and (*b*) remove matter which in view of the definition of "insurance agent" is superfluous.

(*c*) The application of the definition of "insurance agent" to section 40 (*3*) as it stands at present causes a conflict with the intention of the sub-section which the proposed amendment removes.

Clause 17.—*Vide* note on clause 6.

Clause 18.—There must be circumstances in which the insurer is not in a position to be immediately aware of the maturing of a policy of life insurance; in those circumstances the time provisions in section 47 should run from the receipt of notice of such maturing by the insurer.

Clause 19.—(a) *Vide* note on clause 8 (a)

(b) Section 43 as it stands fails to make provision for companies taking up life insurance business after the commencement of the principal Act: in such cases it is necessary that time should be given to allow the directorate to obtain the necessary qualifications in the matter of policy-holding.

Clause 20.—The expression "lapsing of a policy" is considered to be too vague and capable of varying interpretation. The section is accordingly revised in the interests of clarity.

Clauses 21 and 22.—*Vide* note on clauses 4 and 5.

Clause 23—removes a minor defect.

Clause 24—corrects a misprint.

Clauses 25 and 26—are intended to avoid difficulties in applying the principal Act, by making it clear that "year" shall be taken to be the calendar year. Clause 26 has the same end in view.

Clause 27.—*Vide* note on clause 8 (a).

Clause 28.—*Vide* note on clause 12 (b).

Clause 29.—*Vide* note on clause 8 (a).

Clause 30.—*Vide* note on clauses 25 and 26.

Clause 31—adjusts a drafting flaw.

Clause 32—supplies an omission.

Clause 33.—(a) corrects a misprint.

(b) The insertion is proposed to meet a difficulty which may result from similar legislation in Indian States.

Clause 34.—Provision was overlooked for the commencement of the period of limitation for a suit in respect of a sum payable on a loss, though Article 86 of the Indian Limitation Act, 1908, refers to such suits.

Clause 35—effects a more accurate form of expression.

Clauses 36 and 37—remove minor errors and inconsistencies and supply minor deficiencies in the Forms contained in the Schedules.

The following Bill was introduced in the Legislative Assembly on the 8th February 1939:—

L.A. BILL No. 3 OF 1939

A Bill to establish standards of weight throughout British India.

WHEREAS it is expedient to establish standards of weight throughout British India; It is hereby enacted as follows.—

Short title, extent and commencement.

1. (1) This Act may be called the Standards of Weight Act, 1939.
(2) It extends to the whole of British India.
(3) It shall come into force on such date as the Central Government may, by notification in the official Gazette, appoint.

Unit for weight.

2. (1) The unit for weight shall be the standard grain, that is to say, that weight which when multiplied by 1799·84585 is the weight in vacuo of the iridio-platinum cylinder in the custody of the Mint Master, Bombay, certified by the Standards Department of the British Board of Trade as having a weight of 1799·84585 grains *in vacuo*.
(2) The standard grain shall be the only unit from which all other standard weights shall be ascertained.

Standard weights.

3. (1) There shall be the following standard weights, namely:—
(a) the standard tola, being a weight of 180 standard grains;
(b) the standard seer, being a weight of 80 standard tolas or 14,400 standard grains;
(c) the standard maund, being a weight of 40 standard seers;
(d) the standard pound, being a weight of 7,000 standard grains;
(e) the standard ounce, being one-sixteenth part of the weight of a standard pound;
(f) the standard hundredweight, being a weight of 112 standard pounds;
(g) the standard *ton*, being a weight of 2,240 standard pounds.
(2) No weight other than the weights set forth in sub-section (1) and integral multiples or sub-multiples of any such weight shall be or be designated as a standard weight.

Sets of standard weights.

4. (1) The Central Government shall cause to be prepared one set of such of the standard weights specified in sub-section (1) of section 3 or multiples or sub-multiples thereof as the Central Government may consider expedient, and shall cause each weight of such set to be authenticated as having been ascertained from the standard grain, and shall deposit the set in such custody as the Central Government may think fit.
(2) The Central Government shall cause similar sets of weights, similarly authenticated, to be prepared, and shall supply one set to each Provincial Government.

Rules.

5. (1) The Central Government may, by notification in the official Gazette, make rules for carrying into effect the provisions of this Act.
(2) Without prejudice to the generality of the foregoing power, rules made under this section may regulate—
(a) the preparation of the sets of standard weights referred to in section 4;
(b) the custody of the set of such weights which is to be maintained by the Central Government and the periodical verification and adjustment thereof;
(c) the periodical verification and adjustment of the sets of standard weights supplied to Provincial Governments.

Repeal.

3 of 1871. 6. The Indian Weights and Measures of Capacity Act, 1871, in so far as it relates to the establishment of standards of weight, is hereby repealed.

STATEMENT OF OBJECTS AND REASONS.

The question of prescribing a scale of standard weights and measures throughout British India has been under the consideration of the Government of India from time to time. In 1871 the Indian Weights and Measures of Capacity Act, XXXI of 1871, was passed, section 8 of which empowered the Governor General in Council to introduce a system of weights and measures, consistent with the statutory units prescribed by section 3 thereof. This Act however remained inoperative since no notification prescribed thereunder was issued as it was hoped that weights and measures based on the statutory units would be gradually and generally adopted without further intervention on the part of Government.

2. In 1913, the Government of India appointed the Weights and Measures Committee to investigate the feasibility of introducing uniform weights and measures throughout the country. The Committee's recommendations were examined in consultation with the Local Governments and Administrations and in 1922 the Government of India issued a resolution containing the decisions arrived at. As 'weights and measures' became a Provincial transferred subject under the Government of India Act, 1919, subject to legislation by the Indian Legislature as regards standards, it was left to the Provincial Governments to undertake the necessary legislation with the previous consultation with the Government of India as to the form which such legislation should take and the previous sanction of the Governor General required under that Act. Accordingly three Provinces, viz., the Central Provinces in 1928, Coorg in 1931 and Bombay in 1932, passed such legislation.

3. The constitutional position now is that according to item 51 in the Federal Legislative List in the Seventh Schedule to the Government of India Act of 1935, the Central Government is responsible for the establishment of standards of weights, while Provincial Governments are concerned with 'weights and measures', *vide* item 30 in the Provincial Legislative List. So far as concerns weights, therefore, it is for the Central Government to prescribe the standards. The enforcement of the use of weights based on these standards is a matter for the Provincial Governments.

4. The desirability of establishing standards of weight has lately been constantly pressed upon the Government of India and some Provinces are reported to have their Weights and Measures Bill ready for introduction as soon as a Central Act establishing standards of weight is passed. A Bill has accordingly been prepared prescribing the units of weight commonly used by the Railways and in commerce, *viz*, the tola, the seer and the maund and also the pound, the ounce, the hundredweight and the ton.

Payment to Board of sum equivalent to the net proceeds of the excise duty.

7 The Central Government shall, as soon as may be in each financial year, pay to the Board a sum equivalent to the net proceeds [determined in like manner to that provided in sub-section (1) of section 144 of the Government of India Act, 1935] of the duty of excise realized under section 5 during the preceding year. 26 Geo. (*b*) deductions have been made under section 10 out of royalties,

in order to ascertain the amount of sand or other incombustible material used in stowing in the mine or to ensure that stowing has been, or is being, done effectively:

Provided that the power conferred by this sub-section shall not be exercised in such a manner as unreasonably to impede or obstruct the working of the mine.

V of 1923.

(*3*) Without prejudice to the provisions of section 19 of the Indian Mines Act, 1923, the Chief Inspector or any Inspector may, by order in writing addressed to the owner, agent or manager of a coal mine, require him to take such protective measures, including stowing, in the mine as the Chief Inspector or the Inspector may think necessary, if in the opinion of the Chief Inspector or Inspector—

(*a*) the extraction or reduction of pillars in any part of the mine is likely to cause the crushing of pillars or the premature collapse of any part of the workings or otherwise endanger the mine, or

(*b*) adequate provision against the outbreak of fire has not been made by providing for the sealing off and isolation of any part of the mine or for restricting the area that might be affected by a fire.

Application of Act IV of 1923.

12. The provisions of sub-sections (*3*) to (*6*) (both inclusive) of section 19 of the Indian Mines Act, 1923, shall apply to an order made under sub-section (*3*) of section 11 of this Act as they apply to an order made under sub-section (*2*) of section 19 of that Act and all the provisions of the Indian Mines Act, 1923 (except sub-section (*1*) of section 11 thereof), affecting committees appointed for the purposes of that Act or relating to the disposal of references made to such committees, shall apply, *mutatis mutandis* and so far as may be, to a committee appointed to inquire into a reference under this Act and to the disposal of such reference.

(*ii*) one, from a panel of four persons nominated by the Indian Mining Federation;

(iii) one, from a panel of four persons nominated by the Indian Colliery Owners' Association, and

(c) one member appointed by the Central Government to represent the interests of persons employed in coal mines.

(3) If anybody fails, within the prescribed period, to make any nomination which it is entitled to make under sub-section (1) or to fill any vacancy in a panel, the Central Government shall itself nominate a sufficient number of persons to complete the panel.

Power to make rules.

14. (1) The Central Government may, after previous publication, make rules to carry out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for any or all of the following purposes, namely:—

(a) the nomination, and term of office, of members of the Board appointed or nominated under section 3;

(b) the powers and functions of, and the conduct of business by, the Board;

(c) prescribing the technical qualifications to be possessed by co-opted members of the Board and by persons nominated to the panels referred to in section 13;

(d) prescribing the descriptions of coal and coke on which a duty of excise may be levied under section 5;

(e) regulating the levy, collection and payment of the duty of excise, and the imposition, collection and payment of the duty of customs;

(f) prescribing the manner in which and the conditions under which sums at the credit of the fund may be applied;

(g) prescribing the form in which the accounts of the fund shall be kept and the times at which such accounts shall be audited, and regulating the publication of the abstract of such accounts and the report of the auditors thereon, and prescribing the procedure in relation to any items of expenditure from the fund disallowed by the auditors;

(h) prescribing the conditions under which deduction out of royalties may be made under section 10 and the manner in which the amount of such deduction shall be determined;

(i) any other matter which is to be or may be prescribed.

Application to Crown mines.

15. This Act applies to coal mines belonging to the Crown.

STATEMENT OF OBJECTS AND REASONS.

The Government of India have had under consideration for some time past the question *inter alia* of devising measures for the protection of miners against the dangers involved in the present methods of extraction in the main coalfields where a stage has been reached at which the continued extraction of the large quantities of coal standing in pillars by ordinary methods is impossible in some cases and would, in other cases, involve serious danger to those engaged in the work and the likelihood of a great wastage of coal. They accordingly appointed a committee known as the Coal Mining Committee in October 1936, to inquire into the methods of extracting coal underground in Bengal, Bihar and the Central Provinces and to report on the measures which should be taken to secure the safety of the workers and to prevent avoidable waste of coal. The Committee have advocated the adoption of stowing, *i.e.*, the filling with sand or other incombustible material of the space left by the extraction of coal, to start with, in areas where there is urgent and immediate danger to life or urgent danger of substantial loss of coal. The Committee have recommended that a cess of 8 annas per ton on coal, including soft coke, and 12 annas per ton on hard

coke should be imposed, to be used mainly to defray the cost of stowing. The recommendations of the Committee have been examined by the Government of India in consultation with the Provincial Governments and the interests concerned. The Government of India feel that for the present at any rate the main objective of any proposals should be to secure the safety of the worker. Such proposals would incidentally result in a certain amount of conservation but safety should be the primary objective. The Bill is designed to give effect to these proposals. Notes on some of the clauses are appended.

The 4th February 1939 ZAFRULLAH KHAN.

NOTES ON CLAUSES

Clause 3—modifies in certain respects the constitution proposed by the Committee in paragraphs 278-283 of their report for the administrative authority recommended by them. The Committee's proposal is open to the objection that the constitution of the authority would be largely in the hands of the Chairman and that its personnel would be constantly changing.

Clause 4—is designed to give powers to the Committee to co-opt technical experts for dealing with any technical questions of importance that may arise.

Clause 5—The maximum rate of the excise duty proposed in the clause is considered adequate for the requirements of the scheme proposed in the Bill.

Clause 6—follows section 6 of the Sugar (Excise Duty) Act, 1934, and is designed to implement the recommendation made by the Committee in paragraph 361 of their report.

Clause 10—follows the recommendation of the Committee in paragraph 208 of their report. A Central tax on royalties is not constitutionally permissible. As this proposal is not free from complications, it is proposed to leave it to the Board to permit the deduction from royalties or not.

Clause 11—Sub-clauses (1) and (2) need no comment. *Sub-clause* (3) is designed to enlarge the powers conferred on the Mines Inspectorate by sub-section (2A) of section 19 of the Indian Mines Act, 1923, and to implement in modified form the recommendation made by the Committee in paragraph 290 of their report.

Clauses 12 and 13—Clause 12 is designed to extend the procedure prescribed in the Mines Act for appeals against orders passed under section 19(2) of that Act to orders passed under clause 11(3) of the Bill; the constitution of the appellate tribunal is proposed to be strengthened as in clause 13 in view of the importance of the issues involved.

The Bill is intended to prohibit the employment of children under 12 on premises carrying on the occupations enumerated in the Schedule, which have been selected either because they are unhealthy or commonly accompanied by exploitation of child labour. Provincial Governments, who have been consulted, are given full power to amend the Schedule.

(3) In making a rule under sub-section (1) or sub-section (2), the Provincial Government may provide that a breach thereof shall be punishable with fine which may extend to one thousand rupees and, where the breach is a continuing one, with further fine which may extend to fifty rupees for every day after the first during which the breach continues.

(4) All rules made under this section shall be published in the Official Gazette, and upon such publication shall have effect as if enacted in this Act.

Transitional provisions for levy of tax for 1939-40.

15. (1) No tax shall be payable under this Act in regard to the first half-year of the year 1939–40 commencing on the 1st April 1939.

(2) In regard to the second half-year of the year 1939–40 commencing on the 1st October 1939, tax shall be paid under this Act by dealers in accordance with the scale specified below, on the basis of their turnover in the first half-year of such year, and the provisions of this Act shall apply thereto accordingly :—

	Rs. A. P.
(*a*) If such turnover was not less than five thousand rupees but did not exceed ten thousand rupees ..	37 8 0
(*b*) If such turnover exceeded ten thousand rupees but did not exceed twenty thousand rupees	75 0 0
(*c*) If such turnover exceeded twenty thousand rupees	One-half per cent of the amount of such turnover.

(3) In regard to the year 1940–41 commencing on the 1st April 1940, tax shall be paid under this Act by dealers, in accordance with the scale specified in

section 3, on the basis of their turnover in the whole of the preceding year.

Power to remove difficulties.

16. If any difficulty arises in giving effect to the provisions of this Act, the Provincial Government may, as occasion may require, by order, do anything which appears to them necessary for the purpose of removing the difficulty.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to provide for the levy of a tax on the sales of all goods generally. The tax will be levied only on businesses the estimated turnover of which exceeds 10,000 rupees per annum. The adoption of this minimum will generally exempt from the new tax small traders who deal in articles of food, clothing, etc. In addition to this, power has been taken to exclude by notification any class of goods from the scope of the Bill. It is proposed to exclude motor spirit, tobacco and electrical energy, on which separate taxes are proposed to be levied. To facilitate the levy of the tax and to avoid detailed investigation into the exact turnovers in the case of the smaller businesses, the tax will be levied at a consolidated rate of 75 rupees per annum if the turnover is between 10,000 and 20,000 rupees and at 150 rupees per annum if the turnover is between 20,000 and 40,000 rupees. For turnovers of over 40,000 rupees, the tax will be levied at the rate of one-half per cent of the turnover. The tax proposed approximately represents a rate of one pie per rupee of the turnover. It is an old and well-established custom among most businessmen in this country to put by for charitable purposes a sum three times as much as this on each transaction in the form of "*makimai*." It is therefore considered that the proposed tax will not be deemed a heavy imposition, especially seeing that there is need for finding fresh sources of revenue to meet the increasing demands made on Government.

2. Dealers with turnovers of 40,000 rupees and above will be called upon to submit returns of their turnover and the assessment will be made on the basis of such returns if they are found to be correct and complete. The submission of a return is not made obligatory in the case of a dealer having a turnover of less than 40,000 rupees, though he will be given an opportunity to submit a return if he wishes to do so. Adequate provision is made for appeals against assessments besides

conferring revisional powers on the Board of Revenue. The assessing authority will have power to permit the payment of the tax in monthly or other instalments.

3. In the year 1939–40, the tax will be levied only in respect of the second half-year on the basis of the turnover in the first half-year of that year.
